II. Overview of Community Conversations and Presentation from Julia Wieczorek
   a. Guest speaker: Julia Wieczorek, Program Administrator VISTA, New Jersey YMCA State Alliance
   b. New Jersey’s COVID-19 Storytelling Project is an initiative of the New Jersey YMCA State Alliance and the New Jersey Department of Health. The purpose is to gather New Jersey residents’ experiences navigating the COVID-19 pandemic.
   c. Link: https://www.njymca.org/communityconversations
   d. DOH would like to invite members of the Healthy Living ACT to support this initiative by conducting a community conversation in October. These conversations can be with friends, family members, colleagues, and other individuals you may interact with. This activity is optional. Examples of the guiding questions include:
1) How has your life changed since March as a result of the COVID-19 pandemic?

2) What were the main or most trusted sources you received information about COVID-19 from? How did you act upon the information you received? Have you developed any new sources of information?

3) What was the hardest/biggest challenge for you or your family during/amidst COVID-19?

4) In what ways did you address the challenges of COVID-19? What challenges do you expect will remain post-COVID-19?

6) What were your greatest sources of strength? Where/when did you feel less strong?

7) What brought you/Where did you find happiness?

8) What brought you/Where did you find sadness?

10) What surprised you about the pandemic?

The conversation can be conducted virtually (phone, video) or in person.

Document their story/experience using the Submission Form and consent form: https://njyalliance.wufoo.com/forms/m1duljux1n26kqp/

In appreciation of their time, individual participants who share their COVID-19 story are eligible to receive one $25 VISA gift card through the NJ YMCA State Alliance.
